11:00 – 12:00 Lunch

12:00 – 12:30 Inquiry to SS/Science

ALL students should go back into Seesaw to complete the project on the Georgia Historical Figure. I sent some projects back to the students. Make sure you use the resources that we used to study the historical figure. The fact sentences should be aligned to the type of award you are giving the historical figure. For example, if you are giving Jackie Robinson the Best Athlete award you should include sentences about him being in the Baseball Hall of Fame.
